

Be Aware of your Surroundings!

- 01** Always watch for obstacles in walkways
- 02** Keep extension cords and other items out of walkways and used floorspace
- 03** Slow down, especially when approaching corners
- 04** Use the windows in doorways to prevent opening the door on someone
- 05** Avoid wet floors and use appropriate signage if necessary
- 06** Report potential hazards to a manager or Facilities
