

Slips and Falls

THE WET WEATHER EDITION

- **Watch out for:**
 - **Wet leaves**
 - **Oil spots in empty parking spaces**
 - **Puddles**
 - **Icy surfaces**
 - **Debris from high wind activity**
- **Wear shoes suitable for wet weather**
- **Be wary of slippery stairs or ramps (use railings for support)**
- **Wipe feet on mats when entering the building**
- **Watch for trailing water from your shoes, your coat, or an umbrella**
