

Water Safety

A graphic showing a splash of blue water with bubbles, serving as a background for the title.

- **Stay on guard**
- **Learn to swim**
- **Swim with a buddy**
- **Children and non-swimmers should always be supervised (within arms reach)**
- **Wear lifejackets when appropriate**
- **Alcohol and water dont mix!**
- **As little as 2" of water can be a drowning hazard**
- **In murky water, be wary of branches or other snag hazards**
- **In running water (eg: rivers), be wary of undercurrents**
